Jim,

Thanks for your email below. Just to recap our call earlier today, you said that you had not received the two emails I had sent you previously attaching letters on behalf of WWE. I understand you're saying you now have them. (I'm attaching them here for reference).

As I said on our call, we'd like a response to our letter by tomorrow. Given that the individuals you've described as the decisionmakers at Panini are six hours ahead in Italy, we expect you can respond by noon Eastern tomorrow (Friday), but at a minimum by some point tomorrow (preferably before the Jewish holidays begin tomorrow late afternoon as some of our team members are observing).

Relatedly, you mentioned on our call that Panini has been engaged in efforts to transition the license to Fanatics. Although the demand in our prior letter stands and we still expect compliance by tomorrow, if Panini wants to accelerate any such efforts, we are prepared to discuss that subject.

Best,

Greg
